

Short profile

Facts about the Company

Key facts about Kazakhtelecom JSC

Kazakhtelecom JSC is the largest telecommunications company in Kazakhstan.

The main offices are located in Nur-Sultan and Almaty, and regional offices are located in all parts of Kazakhstan.

Kazakhtelecom NJSC was founded on the basis of Resolution No. 666 of the Cabinet of Ministers of the Republic of Kazakhstan of 17 June 1994.

Since the middle of 2000, Kazakhtelecom JSC has consistently held high positions in the rating of the most profitable enterprises in the country with annual turnover of dozens of billion KZT.

Kazakhtelecom JSC owns the National Information Superhighway, which is an optical-fiber ring connecting large cities in Kazakhstan with high data rate digital flows.

Line of business

Kazakhtelecom JSC is the largest fixed-line telephone operator in Kazakhstan, recognized as a leader in providing communications services, including rural communications services, and one of the largest operators of the National Data Transmission Network.

Kazakhtelecom JSC, the national Company, was founded in accordance with Resolution No. 666 of the Cabinet of Ministers of the Republic of Kazakhstan of 17 June 1994 "On the Creation of the National Joint-Stock Company Kazakhtelecom" by transferring the assets of state enterprises, joint-stock companies and telecommunications organizations to the charter fund of the national joint-stock company being created, which provides a wide range of communications services throughout the Republic of Kazakhstan.

The Company is the legal successor of the National Joint Stock Company Kazakhtelecom (the initial state registration by the judicial authorities of the Republic of Kazakhstan took place on 1 December 1994).

Kazakhtelecom JSC is a commercial entity that issues shares for the purpose of raising funds to carry out its activities with the primary purpose of generating income for the benefit of shareholders.

The activity of a joint-stock company is carried out within the framework of the approved Charter, which determines the legal framework for its organization and operation.

The main goals of Kazakhtelecom JSC are:

- generating profits from commercial activities and using them for the benefit of shareholders;
- creation of modern telecommunications networks in the Republic of Kazakhstan and their integration into the global telecommunications network;
- provision of all types of telecommunications services to users in the Republic of Kazakhstan and abroad.

Kazakhtelecom JSC operates as a communications operator of the RK to set up, installation, operation and maintenance of the public telecommunications network and private telecommunications systems; performs the functions of a public telecommunications network operator, including: long-distance and international communications operator with the right to make settlements with the communications administrations of other countries; companies, users, international organizations in accordance with the Regulations of the International Telecommunications Union and the legislation of the Republic of Kazakhstan.

The Company shows great attention to the development of transit potential and an increase in transit telecommunications flows through Kazakhstan, since it has a network of backbone fiber-optic communications lines connecting all border areas, providing communications with China, Russia, Europe and Central Asian countries.

Kazakhtelecom JSC has a 248-point network throughout the country, its own network of 17 data centers, and contact centers.
